PLAYBOY'S

GIRLFRIENDS

PLAYBOY PRESS

Milan Nalina & Baby Norman

"Being on that big old bed with Baby made me feel very feminine and very girly. The sheets were white and silky and soft and we were laughing and making little noises. It brought out another side of me, like Girl Power!"

Jodie Shaw & Kirsty Smith

"It was lovely and warm, and someone stood at the side with a hose and sprayed Jodie and me to make it look like it was raining. It was really fun."

Shannon Leahy & Laurie Wallace

"I like petite girls—tight and toned—and Shannon is definitely that. She has really great nipples. Shannon really got into it, standing over me with the camera. I liked shooting with her much better than posing by myself."

Jessie Reyes & Karina Mitchell

"I know it's a lot of men's fantasies to look at two women, but I think even women like to look at two beautiful women together. Yeah, I'd do it again."

Christi Taylor & Bridgett Wise

"We shot the pictures in a mansion in Miami. Bridgett and I had a lot of fun. We were cutting up and whispering. Everything was so comfortable. It's better to look at a naked woman's body if she's a friend."

"I'd already done a shoot with another woman so I wasn't timid at all."

Liana Loggins & Darcy Lynn

"*L*iana and I really warmed up to each other. I was the wild one. The photographer looked at me and said, 'You've done this before.' I'm not timid and shy. I was the one climbing over to her. It looks a little kinky, but it wasn't."

Kelly Monaco & Vanessa Gleason

"We did the shoot at a famous actor's house. He had a really cool old convertible that we crawled all over then started to wash. After we finished the car we turned the hose on each other. It was 100 percent fun."

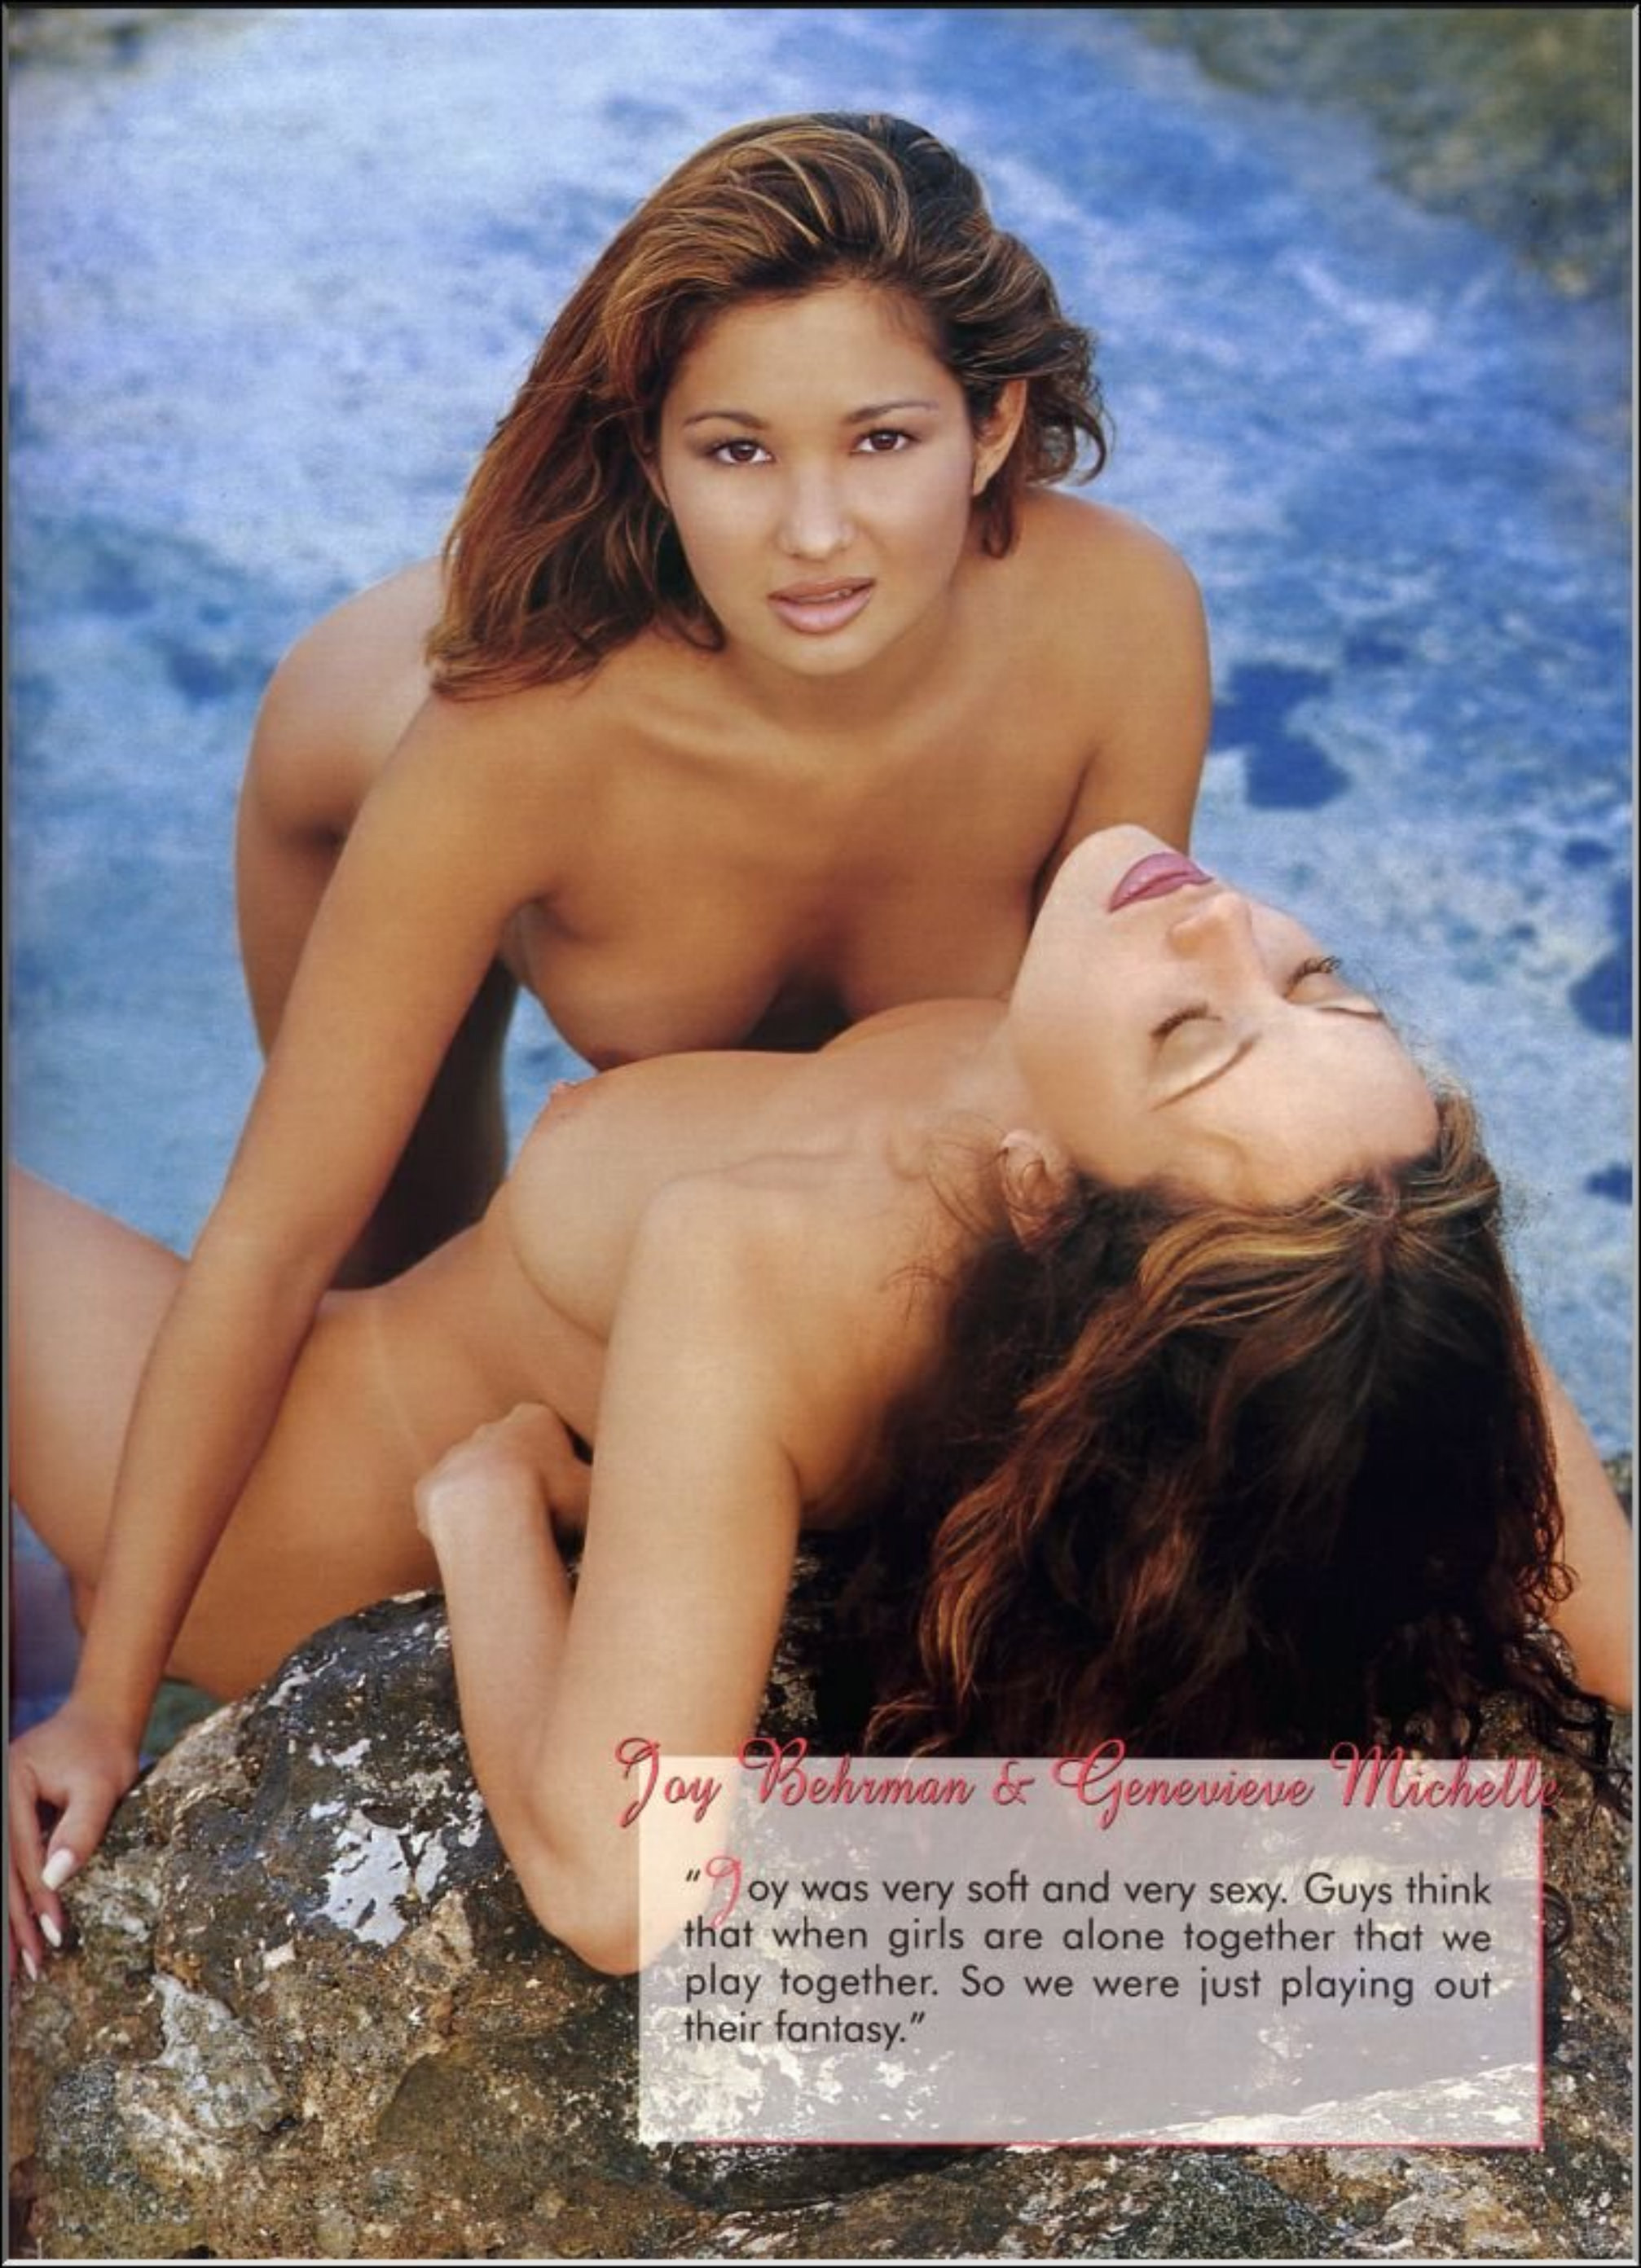

Joy Behrman & Genevieve Michelle

"Joy was very soft and very sexy. Guys think that when girls are alone together that we play together. So we were just playing out their fantasy."

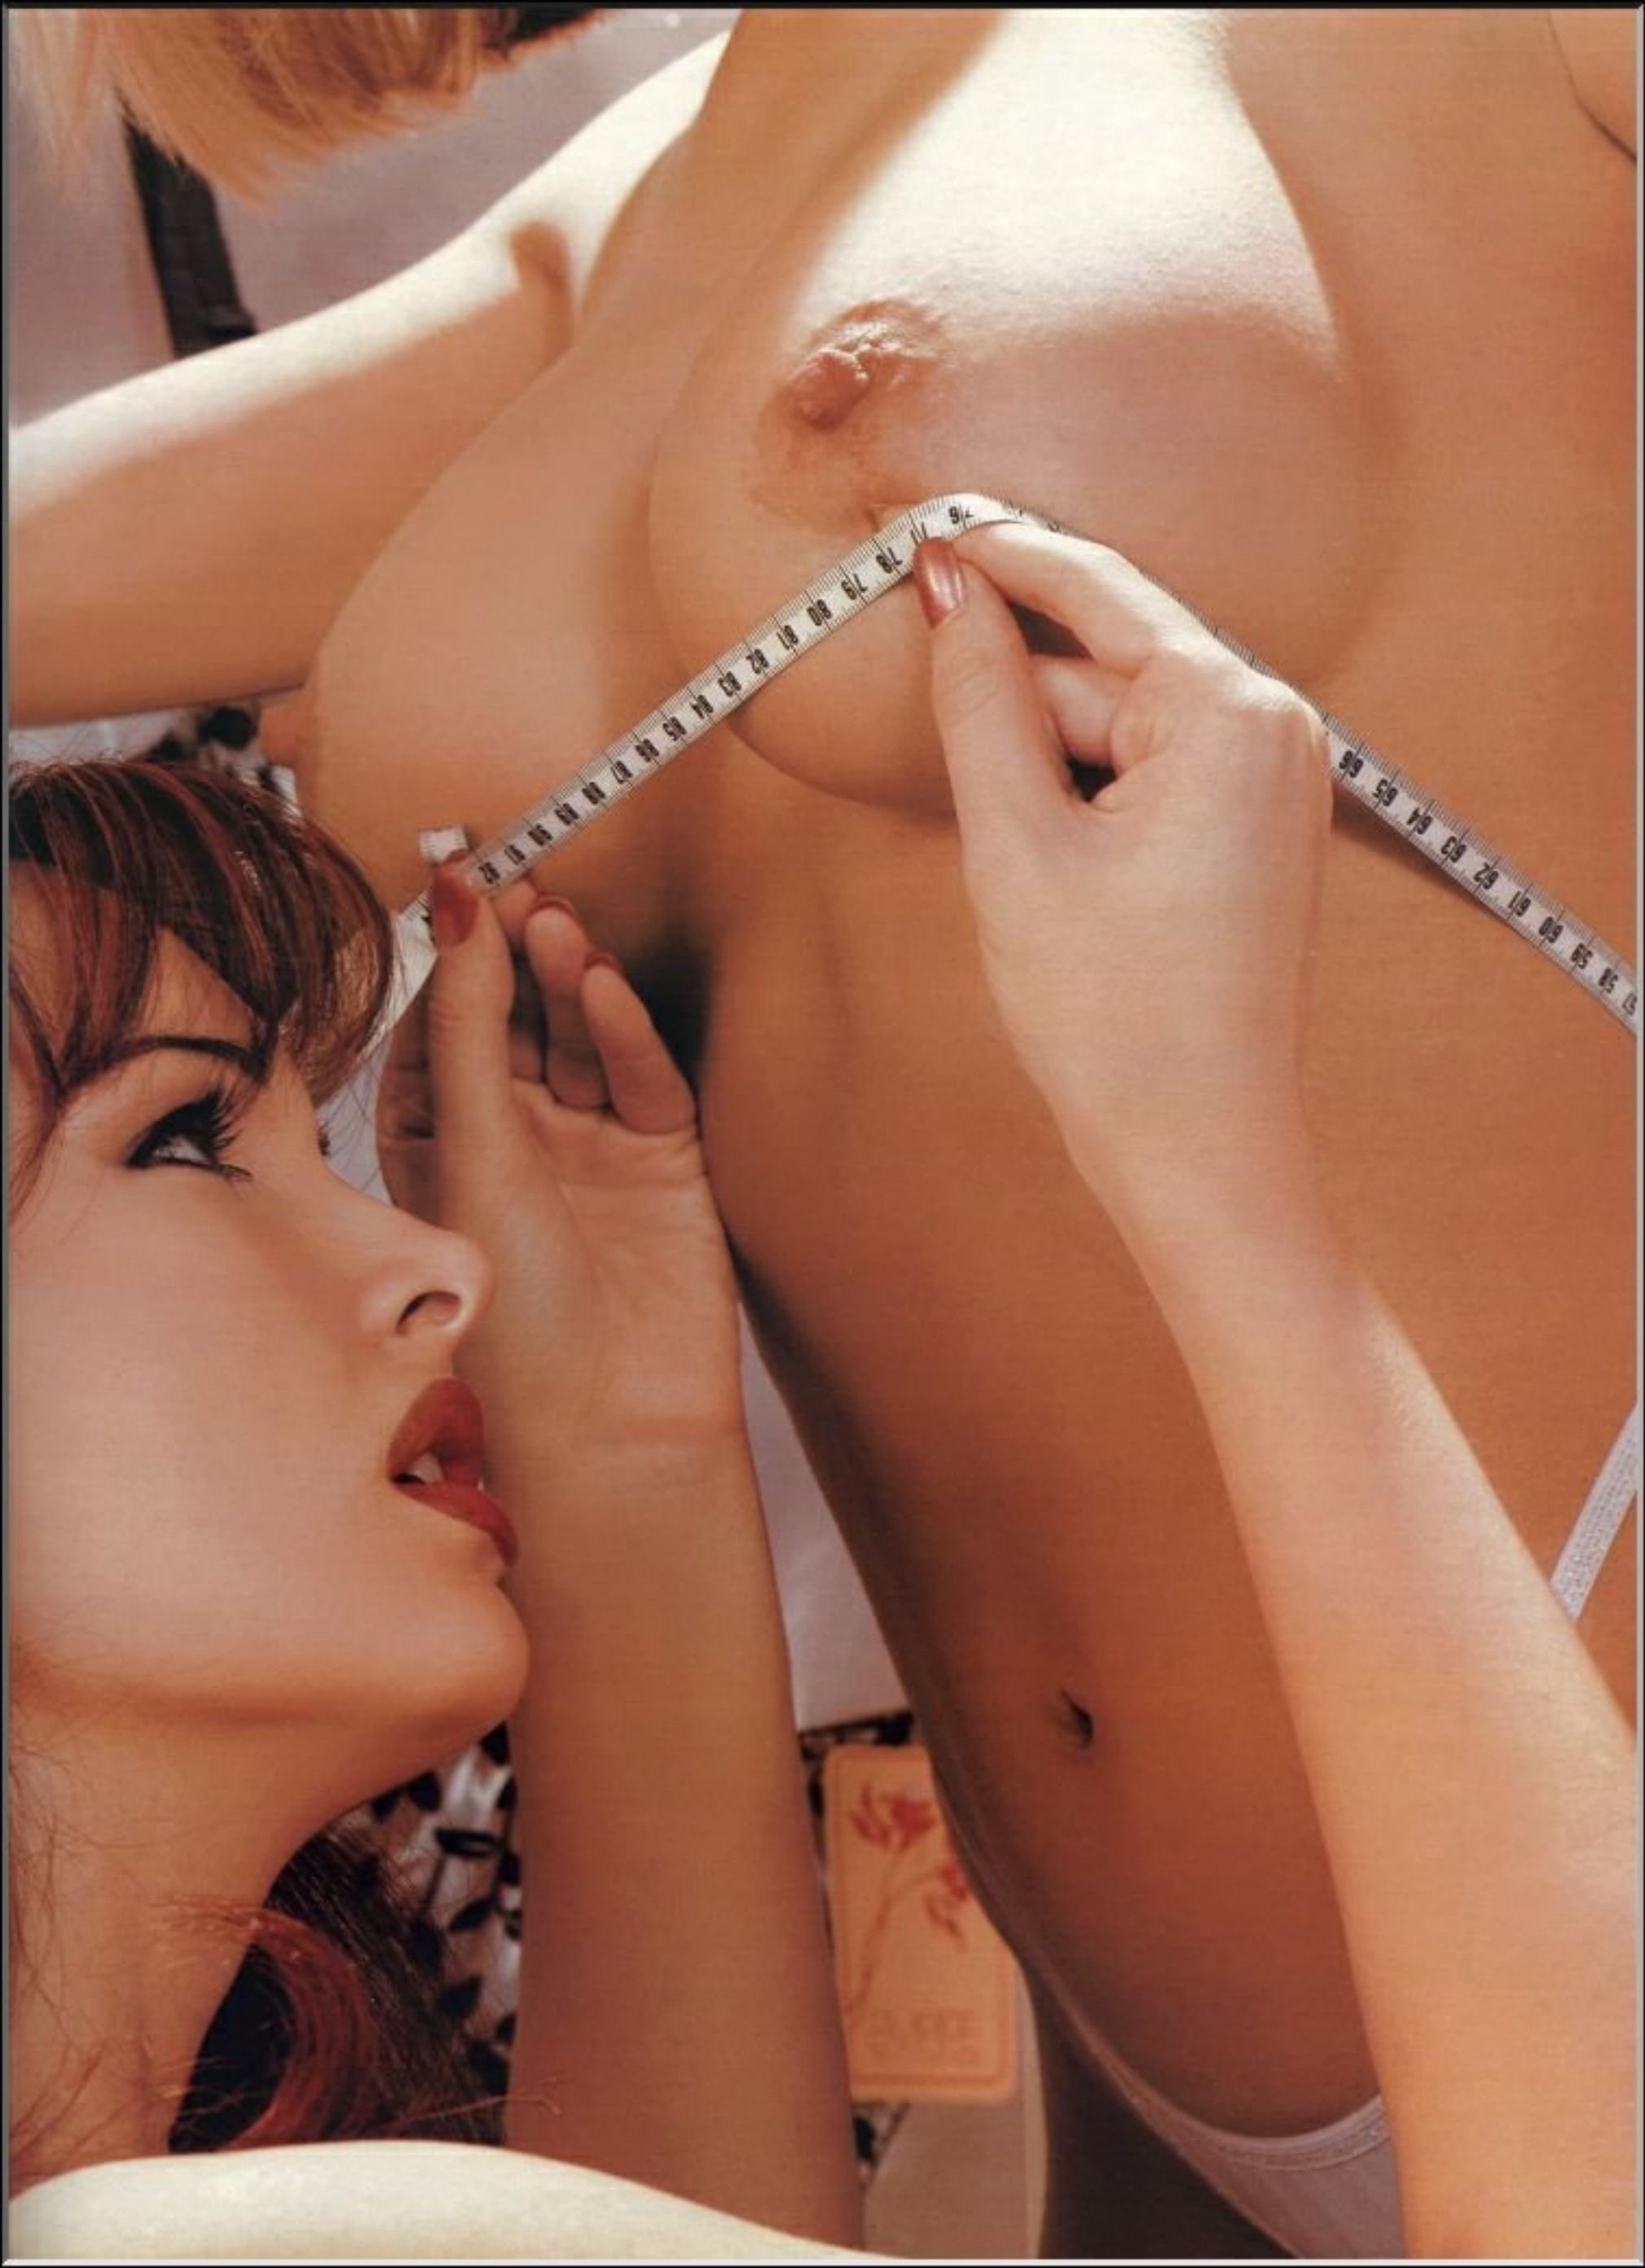

*Elizabeth Jo Anne &
Quinn Koloski*

"The shoot was in a lingerie showroom and all the clothes were very sexy. Elizabeth was gorgeous and I was intimidated. I thought she was hot."

Sasha Singleton & Sydney Moon

"Sasha is one of my prettiest friends, and if I had to do this with anyone, she'd be at the top of my list. It was very exciting and I got really turned on."

Emma Caesari & Claire Lery

"It was the first time I'd ever been in a shower with another woman. It was a really fun experience. It was easier and more comfortable than I thought it would be. Emma was so pretty, so that helped a lot."

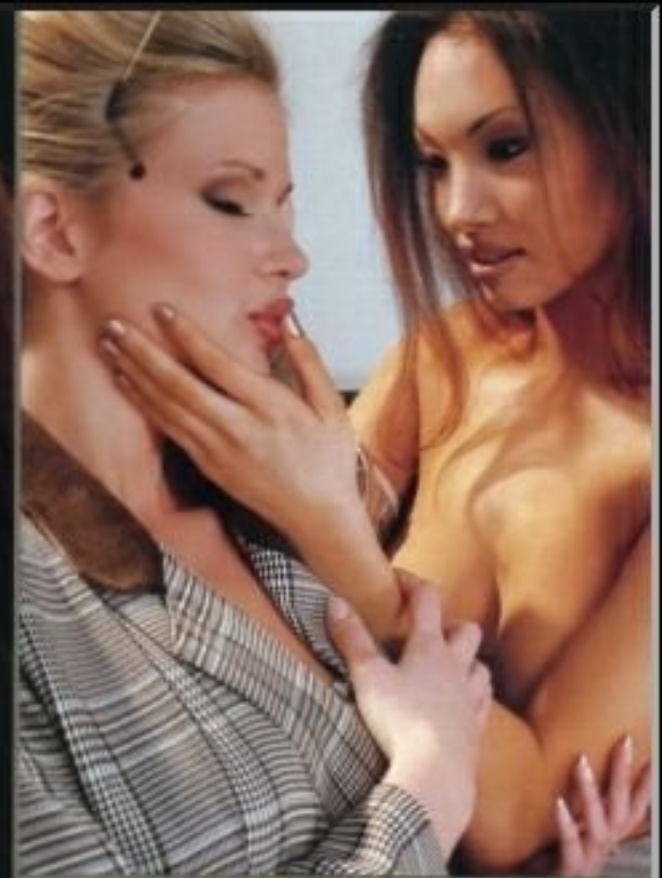

Lynn Thomas & Victoria Zdrok

"The theme was psychologist and patient and I'm a psychologist, so I know that's taboo. I know Lynn and it meant we could play out a fantasy we'd had for a long time. Lynn is so erotic. We had a great time."

Coby Lyn & Brandi Sommerville

"I was a little nervous at first, but once we got started shooting it was no big deal and Brandi and I joked around. It felt like a slumber party."

Jenny Lilley & Cheryl Stell

"Jenny is nice and beautiful and natural and has amazing boobs. She's a nice tight little package. I'm Asian and she's blonde. It's a very cool mix."

Dita von Teese & Victoria Sweet

"It was definitely a turn-on being around a beautiful girl like Victoria wearing that kind of vintage lingerie. It was comfortable for us to be that physically close."

Erica, Nicole & Jaclyn Dahm

*"We feel less insecure
posing as a group."*

Katalina Verdin & Angela Taylor

"I got extremely turned on at the shoot with Katalina. Afterward, I rushed home and had great sex with my boyfriend."

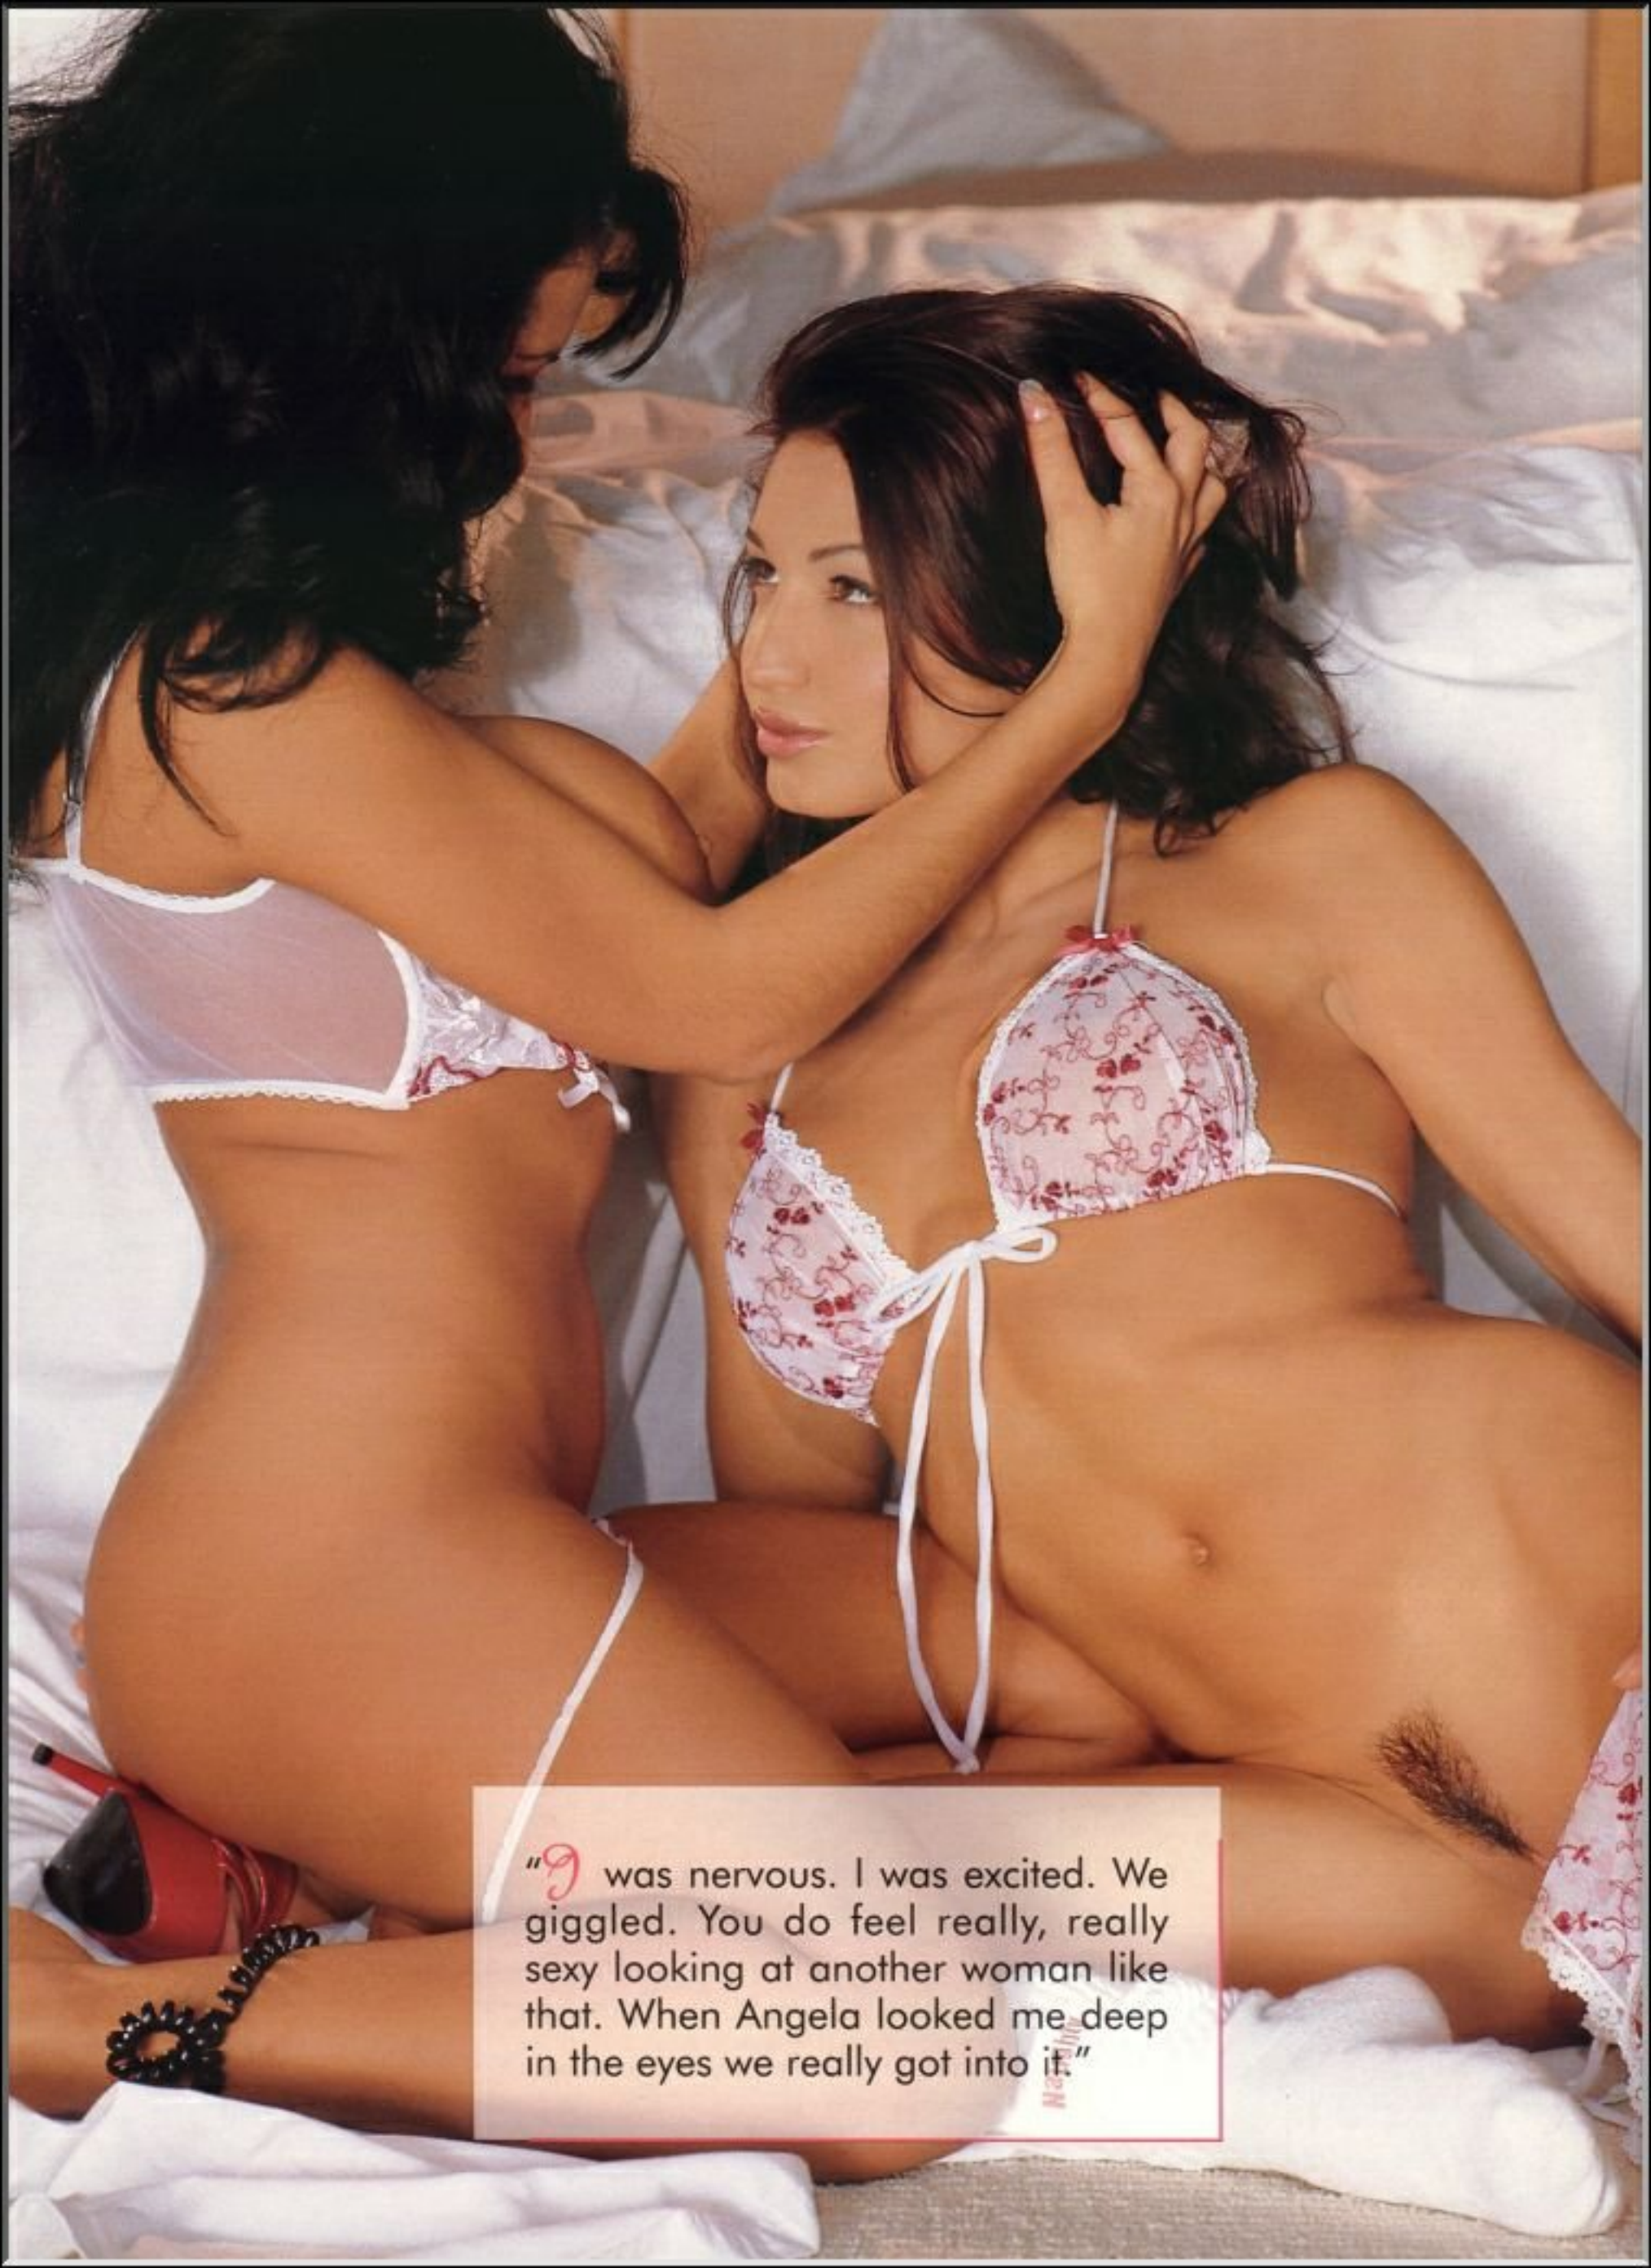

"I was nervous. I was excited. We giggled. You do feel really, really sexy looking at another woman like that. When Angela looked me deep in the eyes we really got into it."
